Dear Mr. Kennedy:

I am pleased to advise you that your application for a Sustainable Building Tax Credit has been approved for the residence at 43 The Cliffs View in the amount of \$12,342.50. The enclosed Certificate of Eligibility is your documentation from the Energy, Minerals and Natural Resources Department.

As a courtesy, I forwarded a copy of the Certificate of Eligibility, along with the Taxation and Revenue Department's (TRD) Sustainable Building Tax Credit Approval form (RPD-41327) you included with your application, to TRD. You will receive the signed RPD-41327 form directly from TRD. To claim the tax credit with your income tax filing, you will need form RPD-41329 found at <http://www.tax.newmexico.gov/SiteCollectionDocuments/rpd-41329.pdf>.

Again, congratulations on your accomplishment of building one of the most sustainable buildings in our state.

Sincerely,

Susie Marbury
Energy Efficiency and Green Building Administrator
